

ITALIAN WINE TOURS

OFFERED BY
THE MONK'S TABLE

Experience the best of the thousands of varieties of wines that are made in Italy, along with the cheese and charcuterie typical of their respective region. I select and pair the wines, cheese and charcuterie customized to your interests. In the comfort of your home, we sit and sip as I guide the conversation through the details of each wine, who makes it and what makes it special as well as the cultural context of the region it comes from.
